

**RANCHO SANTIAGO COMMUNITY COLLEGE DISTRICT
GOVERNING BOARD MEMBER
TRUSTEE AREA 1**

NAME: BRIAN E. CONLEY

OCCUPATION: Governing Board Member, Rancho Santiago
Community College District

In 1988 I made my first run for the Board of Trustees of Rancho Santiago Community College District and promised to make the classroom my number one priority. With a 20 year record of accomplishment toward that end I can assure you that your tax dollars: enhance institutional quality, provide easy access to an increased number of quality academic, vocational, and adult education programs, serve the needs of our diverse student population, and support actual classroom instruction. R.S.C.C.D. is consistently one of the most cost-effective districts in California, and continues to accrue numerous awards in addition to experiencing the highest graduation and transfer rates in it's 93 year history

I support controlled growth at Santa Ana College and Santiago Canyon College to keep up with the growing student demand, while being sensitive to the surrounding neighborhoods.

My background includes participation as a student and teacher in California secondary, community college, and state university systems. I hold A.A., B.A., and M.A. degrees.

I am an education leader, not a politician, and pledge to bring my educational and budgetary experience, common sense, and a commitment to the Rancho Santiago College District to make it the best it can be for our community.
