

**RANCHO SANTIAGO COMMUNITY COLLEGE DISTRICT
GOVERNING BOARD MEMBER
TRUSTEE AREA 1**

NAME: MARK MCLOUGHLIN **AGE:56**
OCCUPATION: School Commissioner/Businessman

As a senior business executive with over 30 years of corporate experience managing and reducing costs, I pledge fiscal prudence, taxpayer safeguards, and accountability in managing our important public education funds.

As Vice Chairman of our Citizens School Bond Oversight Committee, I was responsible for protecting \$450 million of taxpayer money and served on the Special Budget Committee that reduced spending by \$90 million.

These experiences taught me that we need new leadership on our governing boards.

I will ensure our Community College District meets the needs of our diversified community. My vision is to make our colleges the preferred institutions from which industry and leading universities recruit. To achieve this, we must provide our students with curriculums that fill the gap between education and the workplace.

I earned my Bachelors Degree in Industrial Engineering and Operations Research and my Masters Degree in Business Management. My wife Janelle and I own and operate a manufacturing business in Orange.

I recently served as Co-Chair of the successful Measure G campaign. I am also President of my Neighborhood Association and a volunteer Curriculum Task Force for our local Regional Occupation Program (ROP).

I humbly ask for your vote.

Thank you!
