

**PLACENTIA -YORBA LINDA UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER**

**NAME: JAMES "JIM" BRUNETTE**

**AGE: 43**

**OCCUPATION: Business Owner/Consultant**

I am running for the PYLUSD Board of Education because it's time for a change.

I offer communication, honesty, accountability, responsibility and transparency to our students, parents, and community. I am neither a rubber-stamping politician nor beholden to any special interest groups.

I am ready, willing, and able to faithfully serve our community by ensuring that:

Each school gets its fair share of money, so our teachers can provide the best education to our students. Our district engages openly and ethically with our students, parents, and community. Our community's standards guide the district's actions.

You have the right to have your voice heard by the school board, and I will earnestly listen to your concerns, comments, and questions. As a school board member, I will represent you.

My family and I have lived in Yorba Linda for over 12 years. I have a computer science degree from CSUF, and work as a systems consultant. I'm a volunteer with the Brea Police Department and Girl Scouts, receiving their Outstanding Volunteer award this year.
