

**SANTA ANA UNIFIED SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

NAME: VALERIE AMEZCUA

OCCUPATION: Parent/City Commissioner

I believe that our future success depends upon giving our children access to the best education and school facilities. Together, we can bring our schools to a new level of academic achievement.

A native of Santa Ana, I am familiar with our schools. My daughter graduated from Santa Ana High School and attends UCLA; my son is currently a student-athlete at Santa Ana High School. I will bring the care and concern of a parent and the passion of public service to make a difference on the school board.

I have over 20 years of experience in public service. I have worked hard to address the issues of at-risk youth, including participation in prevention and intervention programs. I have provided support and guidance for after-school summer programs. I am Chairperson for the Santa Ana Human Relations Commission.

I pledge to create a transparent and accountable school district and to address the problems of low high school graduation rates, truancy, low academic expectations and the achievement gap, in order to move our school district forward.

I urge you to join me and make the education of all Santa Ana youth a high priority.
