

**SANTA ANA UNIFIED SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

NAME: JOSE ALFREDO HERNANDEZ **AGE: 33**
OCCUPATION: Appointed Governing Board Member, Santa Ana
Unified School District

I was raised in Santa Ana and have chosen this City to raise my 4 sons with my wife Alma; my 3 school-aged sons attend Santa Ana public schools. I attended Madison and Edison Elementary, Lathrop Intermediate, Saddleback H.S., and graduated from Century High School. I obtained my Bachelor's Degree from U.C.L.A. and my juris doctorate from Whittier Law School, where I was a Fellow at the Center for Children's Rights; I currently practice law in Santa Ana.

I was unanimously appointed to the SAUSD Board in January 2007, and after serving only 11 months, unanimously voted its President. As Board President, I helped pass Measure G--a bond measure that will bring 320 million dollars to improve educational facilities; expanded our K-5 after school program with THINK Together with an 8.5 million dollar donation from Donald Bren. I am a leader committed to improving test scores, graduations rates, and the working environment for our teachers and staff who are critical to our children's success. With no hidden agenda and a desire to see Santa Ana's kids achieve their own dreams, I will continue to provide the voice of reason for students, parents, and the taxpayers of Santa Ana.
