

**STATEMENT OF REASONS
FOR THE PROPOSED RECALL OF LANCE MACLEAN**

The grounds for the recall are as follows:

YOU VIOLATED YOUR RESPONSIBILITIES to voters, showing yourself unfit to serve as a City Council member **BY EXHIBITING:**

VIOLENCE when you were arrested by Police for assault and battery on a co-worker.

ANGER AND INCIVILITY when you ordered a Mission Viejo councilwoman to "SHUT UP" in closed session.

HATRED AND DISRESPECT when you called residents racists and elitists in a LA Times interview.

SELF-DEALING when you voted to double your council salary during our current economic crisis.

GREED AND CORRUPT PRIORITIES when you voted to give yourself lifetime medical benefits at taxpayer expense after only 12 years of part-time council service.

FINANCIAL MISMANAGEMENT when you voted for budget items leading to \$11.8 million in deficit spending last year.

A TAX INCREASE when you authored and promoted Measure K, which was rejected by Mission Viejo voters.

FALSE PROMISES when you voted to increase housing density leading to more traffic congestion.
