**Impartial Analysis
City of Westminster
Measure DD**

The City of Westminster has one Mayor elected at-large and four City Council Members who, starting November 3, 2020, will be elected by district. Each of those offices has a four-year term. There is currently no limit on the number of terms a person may serve in either office.

The Westminster City Council voted to place Measure DD on the ballot for the November 3, 2020 general municipal election. If passed by voters, Measure DD will enact Westminster Municipal Code Section 2.040.125, which sets the following lifetime term limits:

“No person shall be eligible to serve in the office of City Council Member or Mayor, in any combination, for more than three (3) four (4)-year terms following the adoption of this measure.”

This term limit will be aggregated; a person will be limited to serving a maximum of three (3) four (4)-year terms regardless of whether they hold the office of Council Member or Mayor, or any combination of those positions, during that period. The term limits apply regardless of whether the terms were served consecutively or not. Term limits will also not be renewed even if there is a break in office.

Once a person has served three (3) four (4)-year terms, for any combination of the two offices, they will no longer be eligible to serve as either a City Council Member or Mayor. For example, a person would be ineligible to run for either office if they served two terms as a Council Member and one as Mayor. The same prohibition would apply regardless of whether the three (3) terms were served consecutively, or whether there had been a ten year break in office.

Measure DD will only apply to terms of office beginning on or after November 3, 2020. It will not apply retroactively. Therefore, terms served or partially served prior to Measure DD will not count toward the three (3) four (4)-year term limit.

There are two special situations:

1. If someone is appointed or elected to fill a vacancy on the Council or as Mayor, and there is more than one-half of the original term left to be served in the appointed position, service in that appointed office will be counted as though a four (4)-year term had been served.
2. If a current district Council Member is elected Mayor, that person's uncompleted term as a Council Member shall not count toward term limits, but only if both of the following are true: 1) the Council Member was elected Mayor at a general municipal election; and 2) that Council Member's district seat was not up for election at that same election.

A “Yes” vote would approve the establishment of a single lifetime term limit of three (3) four (4) year terms for the offices of Mayor or Council Member, collectively.

A “No” vote disapproves establishing such term limits.

This Measure will take effect only if a majority of voters vote “Yes” at the November 3, 2020 general municipal election.
